CLUB WELCOME

Welcome to the second issue of the brand-new Nelson Suburbs FC “Blue Review” weekly magazine.

The new magazine will become the new match day program for both the Men’s and Women’s 1st teams, plus will feature club news, features, competitions and more. It will become the go-to source of information for all our members.

There is a buzz around the club this week with preparations for our Men’s SPL first home game of the season against Coastal Spirit. We are also excited for our Women’s WPL first game of the season away to Halswell, which we will live stream via VeoLive.

The staff are really busy placing junior and youth players into teams for the year and preparing all the Lotto kits and training equipment. We are also delighted to provide our young goalkeepers with top quality Manus Tutum gloves thanks to Andy at MTG.

Team information will be sent out very soon, so please bear with us as we work on this. In the meantime, make sure your junior and youth player has Sky Blue Lotto shorts and socks, which are available to purchase via our website:

<https://www.nelsonsuburbs.co.nz/shop/shop-1>

We are still on the hunt for coaches to help with a few teams, so if anyone is interested, please contact Skippy.

Finally, we would like to thank all our amazing sponsors and partners who provide amazing support to the club. Keep an eye on our social media for announcements.

Phil Williams
Club Manager

SPL COACH'S COMMENTS

Good afternoon and welcome back to Saxton's for our first home game of the season.

Today we welcome Rob and his Coastal team to Nelson for which promises to be an exciting game. After a great start last week against FC Twenty11, winning 9-0, the boys are looking forward to testing themselves against a Coastal team which finished 3rd last season and also had an impressive 7-1 win in their opening game against Selwyn.

Two teams full of confidence after solid starts and scoring no fewer than 16 goals between them in round 1.

We look forward to a different challenge from Coastal who like Suburbs have added to their squad this season, but for us it's taking care of our own performance and with goals coming from 4 different goal scorers, we will look to continue our attacking style of play but must be cautious of a dangerous Coastal team on the counter.

Our new players have blended into the environment well with Spencer Barber chipping

in with a hatrick last week and Lennon Whewell continuing on from last season also scoring 3, In midfield Dauntae Mariner had an impressive start to his Suburbs career breaking up play and organising in a slightly deeper role, Trevin Myres was a handful in attacking areas with two assists.

It's a game that promises to be an exciting match up and both teams will be going for the win, Suburbs looking to set down another marker at home where we dropped points last season from winning positions.

As always thank you for your support and a massive thank you to all our sponsors who again have backed the team, without which we would not be able to bring top level Southern League football to the region.

Neil Connell
Men's First Team Coach

#WEARESUBURBS

WPL COACH'S COMMENTS

After much preparation in the preseason, we are ready for our first game of the season away at Halswell.

We look forward to the first round of the South Island Qualifying League, which we aim to qualify again this year and continue to grow the team and maintain top level football for our aspiring female players in the region.

We are happy to announce Jacinta Borer, as our team captain after the departure of Anna McPhee who moved to Christchurch and has joined Cash Tech. Also, with Katie Pugh off to the Wellington

Phoenix to take her football to the next stage, we have added some talented new players and promoted some reserves to the first team.

Myself, Phil, and Gill are very excited about the upcoming year.

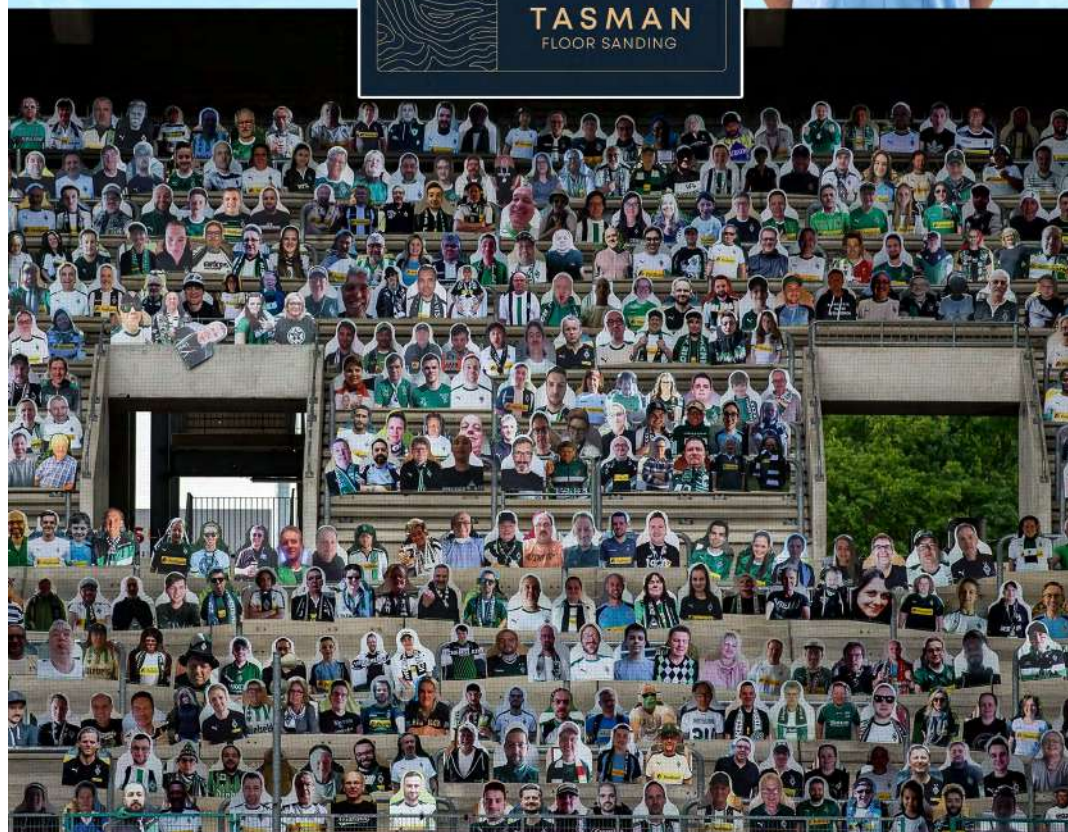

Neil Harding
Women's Head Coach

TRAILBLAZING THE TARMAC FOR FIRST FEMALE FIREFIGHTER

Photo: Jack Malcolm

Libby Hayday says she's seen female representation in firecrews grow and it's exciting to be a role model as the first woman on the Airport Fire Service's crew.

Nelson Airport Rescue Fire Service's newest recruit wants to be a role model, showing the next generation of girls what's possible.

Libby Hayday says it's exciting to learn new tools of her trade as the first woman to be on the Airport Fire Service's crew.

"When kids see the fire truck and a girl driving it, that representation. . . it's a reminder that girls can do it too.

"We're all part of the same crew and work just as hard, if not harder, to be at that same level [of the men's physicality]."

Growing up, Libby always knew that she wanted to be an emergency responder. She even started considering a career in the police force, having previously been a police authorised officer.

But it was in fighting fires where Libby found her passion, having joined Nelson Station's crew as a volunteer.

She's still on the Richmond Volunteer crew, saying she lives close to the station because the first people to arrive are on the first trucks out of the station.

"It's helping people. We often say it's the worst day of someone's life and usually quite a stressful situation. I definitely enjoy working under pressure. Someone's gotta do it and if you can keep a level head, why shouldn't it be you."

She says once they're called out, the mistake has already happened, and the job is to make sure they achieve the best outcome for everyone involved.

Now in a full-time position with the Airport Fire Service crew, Libby says it's been an eye-opening deep dive into things she'd never done before.

"It's a great place to learn a different side of firefighting. Obviously, it's a lot different to urban and rural firefighting, and we've got a cool truck."

SUMMIT & SUBURBS FOOTBALL IN SCHOOLS

Our coaches have recently finished up the term 1 football in schools program, thanks to our amazing sponsors Summit Real Estate.

We spent 3 days per week over 7 weeks in Tahunanui, Stoke, Nayland, NCA, Birchwood, Enner Glynn and St Pauls.

The lads get into the schools in style, in the MS Ford sponsored Ford Ranger XLT.

The program is designed to introduce new players to football, but also provide fundamental movement that the kids can take into any sport.

The coaches run skill based drills and then small sided games to maximise touches on the ball and to ensure as many players are involved as possible.

It has been great to see the increased level in interest from girls, especially after the FIFA Women's World Cup, and we will aim to run some girls only in schools sessions in the near future.
