PRESIDENT'S WELCOME

We're excited to welcome Miramar Rangers and supporters for this weeks Central League match.

This follows our Men's reserves vs Wellington Marist at 1pm also at Wakefield Park and to round off the weekend the IBU Women's first team play Wellington United Sapphires in the Kelly Cup quarter final at Newtown Park, 2.30pm on Sunday.

Thanks to our members for the outstanding support last weekend for IBU's Men's team first game in Central League. Shark Park was humming and it was great to see many familiar faces from all areas of the club. Despite the score we know that the season is marathon not a sprint.

IBU has recently welcomed our newest Central League players, Sam Proctor and

Joseph Cornille, welcome to the Bay and congratulations to Sam for being awarded IBU's Man of Match last week.

Our Physio, Callum Law, has done a great job with the players and all are fit and ready for this week's match.

All the best to teams on the pitch this weekend – our clubrooms are open, come in and enjoy some Shark Tank Café hospitality!

Up the Bay - Go Sharks!

COACH'S COMMENTS

As we gather before our second game of the Central League season, I want to extend a warm welcome to Kale and Miramar Rangers AFC.

Last week's loss to Western Suburbs presented us with a challenging start to the season, but it's important to remember that setbacks are merely stepping stones on our journey to success.

Western Suburbs demonstrated their quality, and it's clear they'll be serious contenders for the league title. However, we mustn't let this deter us; instead, we must draw upon the lessons learned and use them to fuel our improvement week by week.

Our journey is just beginning, and it's imperative that we approach each game with a mindset of growth and resilience. We take the experience from our previous match and use it to sharpen our skills, refine our tactics, and strengthen our resolve.

Every game presents us with an opportunity to improve, to evolve as individuals and as a team.

Let's embrace the challenges ahead with determination and unity, knowing that with each passing week, we grow stronger and more formidable.

Today, we step onto the field with confidence, ready to show Miramar and the rest of the league the unwavering spirit of Island Bay football.

Who is the one team you look forward to playing?

Olympic- I scored a goal against them in the Chatham

Best player you've played with or against and why?

Shoutout to Rossi, when I first showed up to Stokes Valley at 15 I could not believe how good he was on the ball in one or two touches.

Dream 5-a-side team, you and who else?

My boy Jakhaya from Wainui and I make each other prime Marcelo and Cristiano so I would take him, then chuck prime De Gea in with a Ramos in front of him, finish it off with the goat Messi upfront.

PHOENIX PARTNERSHIP

Island Bay United is excited to announce a new partnership with the Wellington Phoenix as they look to grow their Pre-Academy Centre (PAC) programme in Wellington's southern suburbs.

In partnering with the Nix, IBU will join a wide network of clubs across the country who have adopted the PAC programme over the past two seasons.

The PAC programme is targeted at players in the skill acquisition phase (ages 9-12) and looks to build on their key skills and confidence to take the next step in their football journey. PAC clubs utilise the Phoenix's pre-academy training programme and development centre - an online platform to support the development of players, coaches and parent coaches.

We see this as a fantastic opportunity to strengthen the connection between our community club and the Phoenix. This

partnership will provide our talented young players a pathway into the Phoenix youth academies and beyond.

IBU Director of Football Stuart Jacobs and Junior Head Coach Leo Villa will continue to lead Island Bay United's Talent Development Programme, Junior Academy, Girls Only and Junior Social Programmes with the PAC overlay for players, coaches and parents to be introduced this term. More information will follow as we implement this.

Island Bay United is excited at the possibilities in our new relationship with the Wellington Phoenix and look forward to a long and successful partnership together.
