WELCOME TO WAKEFIELD

CHAIRPERSON'S WELCOME – PAUL KOTROTSOS

I'd like to welcome Whanganui Athletic, their travelling supporters and Island Bay here at Wakefield today.

It's great to see Whanganui back in the Central League. I have many fond memories and you could say it's my home away from home with many friends and family living up there. I recall many trips away up to Wembley Park in the 90's with some memorable games. Whanganui Athletic are the club who also run the football leg of the NZ Master Games event every two years. This is a huge task and they consistently do a fantastic job.

Although Whanganui have had a slow start to the season, I'm sure they are learning and improving after every game. They should not to be taken lightly.

To Island Bay, they were definitely the top side in Capital Premier last season and were unlucky to miss out on the Central League playoff (no thanks to a Wellington based academy).

I must commend Nigel Piper and his officials in the Hilton Petone Cup Final a few weeks ago. In that final, the Olympic Goalkeeper (GK) dived to prevent a goal bound ball and the opposition striker lunged at the GK in an attempt to get the ball. The striker missed the ball totally and his studs connected with our GK's head – just above the eye and stud marks to prove it.

A foul was awarded and after Nigel consulted with his assistant, the opposition striker was red carded. Well done. There is always a big emphasis put on outfield studs up tackles but they often go unpunished when it involves goal keepers on the receiving end. Contrary to that, a similar event happened last Friday at Fraser Park. This time the opposition striker's studs connected with Olympic GK's knee after the GK cleared the ball. No foul, no card, go figure.

FIFA's definition of Serious Foul Play

A tackle or challenge that endangers the safety of an opponent or uses excessive force or brutality must be sanctioned as serious foul play.

Any player who lunges at an opponent in challenging for the ball from the front, from the side or from behind using one or both legs, with excessive force or endangers the safety of an opponent is guilty of serious foul play.

Good luck to all the teams.

I hope to see you all back in the Clubrooms after the match, players, supporters and refs all welcome.

CENTRAL LEAGUE – MATT KOLIC

Firstly I'd like to welcome everyone to today's Round 4 Central League match here at Wakefield Park.

It has already been a very intense start to the season for the boys and we now find ourselves in the full swing of things in the 2023 Central League.

We have had a good start to the season with 3 wins on the trot against our rivals Miramar at home, followed by two very tricky away wins against Karori and the Phoenix Reserves. These away fixtures have notoriously been difficult for us in the past so to come away with wins is a great effort from all. Last week's game was testament to the mentality of this group where we played right to the final whistle, with Kailan coming up big to score the winner deep into stoppage time.

Today we face another tricky opponent, the newly promoted Whanganui Athletic. Welcome to Matt, his staff, players and supporters to Wakefield Park. We played Whanganui Athletic last season in the Chatham Cup and we quickly learned that they are a very hard working side and make it difficult to break them down. I am expecting nothing different today.

I hope you all enjoy today's games and I look forward to seeing you back in the clubrooms after.

WELCOME TO WAKEFIELD

CENTRAL LEAGUE – BEN MATA

Firstly, a big welcome to Whanganui Athletic today.

They showed us great hospitality when we visited Wembley Park in the Chatham Cup last year, and we look forward to returning the favour here at Wakefield.

away which in prior years has proved to be no easy task, and today we come up against a team who has been a bit unfortunate with a couple close results.

After a tough 2-1 win last week, the boys are looking at building on a perfect start to the season. We have had a tough start to proceedings this Central League having already played both Karori and the Phoenix Reserves

We know they will be hungry and up for it and are looking forward to a great game ahead.

CAPITAL PREMIER – TAYLOR HALL-JONES

We have started the season well going 3 from 3 and today we welcome our neighbours who are in the same boat as us with an excellent start.

On Easter Friday we travelled to play the Phoenix and had a very good first half, finding ourselves 3-0 up at the break.

of us but we are hoping we can continue our positive start to the season today.

The Nix came out much improved in the second half getting one back only for us to then strike back quickly. We then sealed the game late on to ensure the 100% record. Last season, Island Bay certainly had the better

We have set some lofty goals this year and we are hoping come business end of the season, we will be there pushing Island Bay all the way. Island Bay have assembled a very good squad and we look forward to testing ourselves today.
