CLUB WELCOME

**Welcome to the fourth issue of the Nelson Suburbs FC
"Blue Review" weekly magazine.**

The junior and youth football season has finally arrived, and we can't wait to see all the players enjoy their football. We would like to thank all the coaches who have volunteered their time to look after one of our 36 junior and youth teams! It is a huge job for Sandy and Skippy putting these teams together, so a big thank you to them also. Our new junior football sponsor this year is KIWISPAN and our youth teams are sponsored by SUMMIT REAL ESTATE. Please support those who support us.

Senior football is well underway and thanks to our amazing coaches and managers who look after these teams. Our senior teams have had some fantastic results so far and will look to continue their form again this week.

We have two fantastic fixtures at Saxton this Sunday, with our Women's team playing against Universities and the Men facing Cashmere Technical. The support at our home games has been amazing so far this year and we look forward

to seeing a big crowd again this week for the double header.

The next few months will be very busy at the club with so many teams training mid-week and playing on Saturdays, on top of this the club will continue to run our Skills School programme, and 1 on 1 coaching sessions are also available from our qualified coaches, please contact me for more information on finding a coach for these.

Make sure you download the CLUB APP, which is a one stop shop for all things football, plus you will be able to use this to claim membership rewards and discounts at local businesses.

Finally, we would like to thank all our amazing sponsors and partners who provide amazing support to the club. Keep an eye on our social media for announcements.

Phil Williams
Club Manager

SPL COACH'S COMMENTS

Good afternoon and welcome back to Saxton's for what promises to be an exciting top of the table clash against Cashmere Technical.

With both teams still unbeaten in the league it is a chance for someone to jump clear into second spot in the table. Both teams have been in goal scoring form so it looks like whoever concedes less may come away with the points.

With the team being on the road the last couple of weeks everyone is excited and looking forward to playing at home again. After last weeks close 1-0 win against a well organised Universities side we hope that we can continue the unbeaten run against last year's runners up.

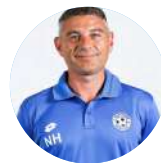

The boys showed some grit and determination last week after going down to 10 men just before the break, but came out in the second half dug deep and deserved their 3PTS in the end against a decent Uni's side who still find themselves bottom of the table, they can consider themselves very unlucky as they have lost every game by a single goal and were unfortunate not to come away with at least a draw against ourselves.

We welcome Dan Schwarz, Dan Terris and their players to Nelson and we know that this week again will be a different proposition against Cashmere Technical who will most definitely be there or thereabouts at the top of the league come the end of the season. Having won 2 and drawn 1 same as ourselves it looks like a cracking game in prospect, as most of these games are very exciting and entertaining. For us it's about taking care of our own responsibilities, taking the confidence from the start of the season we have had and going out with a positive attitude and look to put Tech under pressure from the start, as always, we will be going for the win.

Finally, thank you to all our sponsors and good luck to all suburbs teams this week with junior and youth football starting we look forward to a big support down at Saxton's on Sunday.

Neil Connell
Men's SPL Coach

WPL COACH'S COMMENTS

Following an intense away game that resulted in a hard-fought 1-1 draw against Coastal Spirit, our team is now turning its attention to the upcoming home game against Canterbury Universities.

The draw has filled us with confidence, considering we came back from behind to secure the draw, with Gill Morgan scoring a superb goal. We have been putting in the hard yards on the training ground, working on our units and fighting for a place in the southern league.

With our team structure and style of play, we are excited about the prospect of playing on our home turf. Phill Platt and I have developed a strong game plan, so we hope the girls can execute it to perfection.

We would like to extend our gratitude to all our sponsors and fans for their unwavering support. We look forward to seeing you all at the doubleheader at Saxton this Sunday.
Neil Harding

Neil Harding
Women's Head Coach

ACADEMY PRE-SEASON

Last week our U12, U13 and U14 NBS Academy teams travelled down to Christchurch for some pre-season games.

A huge thanks to Garbhan, Lyle, Lisa and the team at Cashmere Technical Football Club for hosting a brilliant two days.

Also to Christchurch United, Waimak United and Otakaro Football for being part of it all too.

Our U12s had a fantastic 3 games and played some brilliant football.

Won 10-0 vs Waimak
(Jeffree 8, Watkins, Robertson)

Won 3-1 vs Tech
(Pritchard 2, Watkins)

Won 2-0 vs CHCH United
(Pritchard, Jeffree)

Our U13s played well throughout, with a narrow defeat, a thrilling win and a penalty shootout:

Lost 0-1 vs Waimak

Won 3-2 vs Tech
(L Blakeborough, Caceras-Vargas 2)

Drew 2-2 vs Otakaro - won on penalties
(Coles, L Blakeborough)

Our U14s started well with a win followed by a good performance but they finished the wrong side of the score line against the hosts and finished with a tough defeat to CHCH United despite creating a flurry of chances in the second half.

Won 4-1 vs Waimak
(Stobie 2, Harrison, McCuskey)

Lost 2-4 vs Tech
(Stobie, Manua)

Lost 0-3 vs CHCH United

Thanks to coaches Phil, Caleb, Geezer and Gilbert for looking after the team and to the players for representing the club brilliantly.

GRACO

exclusive to Baby
On The Move

GARY - THE GRACO GUY

Gary Booth is the president of Nelson Suburbs commonly known around the club as Boothy and is also the importer of Graco USA child car seats into New Zealand along with his wife Claire and business partners Darren and Fena.

Claire and Gary have been long term supporters and board members at Nelson Suburbs, while both their sons Samuel and Joshua have played for the club.

Why sponsor football?

I have been involved in football all of my life having grown up in a football made home. My father was part of the Bury FC Academy and played in the same team as Colin Bell who went on to captain England, which my father often reminds me about. I have also been part of Nelson Suburbs FC for over 15yrs in different capacities.

Firstly, as a coach then as committee member and finally as the club President after being elected in 2018. So, when we were asked if Graco would be interested in sponsoring Nelson Suburb both Claire and I thought it was a great way of giving back to the club and the community.

Why introduce Graco to New Zealand?

In May 2018 I left the police after 17yrs of service. During my time in the Police, I had a passion for

Road policing so when the opportunity arose to begin importing Graco into New Zealand it seemed to align with what I was passionate about.

We chose Graco because it was one of the world's number 1 selling brand of seats with a great reputation at while being reasonably priced. This is highlighted with Graco currently having the number 1 selling seat in the USA.

As Graco is supporting us, how can we at the FC support Graco?

If you or someone you know is in the market for a car seat, tell them to head to your local Baby On The Move store or shop online at www.babyonthemove.co.nz and look for the Graco options.
