# WELCOME TO WAKEFIELD

## CHAIRPERSON'S WELCOME – PAUL KOTROTSOS

**I'd like to welcome Ryan and his Petone side along with Mark and Wainuiomata to Wakefield today.**

It is good to be back on our home turf again this weekend.

We had mixed results last week where our Cap Premis were just probably unlucky to lose against a very good Island Bay side who are defiantly favourites to win the grade this year. The 1sts had a good win against CL newcomers Whanganui who I hope can stay in this League as we need more regional representation.

Our juniors and youth teams kick off next weekend. A big thank you to Sam and Matt for helping hugely in this space.

The Women's also kick off tomorrow (Sunday) on Wakefield Park 3 with a 2.30pm KO. Our Women's team are always an entertaining team to watch and I urge all our supporters and members to make an effort to come down and support and cheer our ladies on.

Good luck to all the teams playing this weekend.

I hope to see you all back in the Clubrooms after the match - players, supporters and refs all warmly welcomed.

## CENTRAL LEAGUE – RUPERT KEMEYS

**We welcome Petone FC to Wakefield Park today for an exciting match-up for R5 of the Central League.**

Petone had a super start to their campaign sitting top of the Central League after two games and their last two close losses have shown that, while they may have fallen away just a tad in recent weeks, we are facing a much improved Petone side after last season. It is a challenge we relish and we think it will be a good clash of both talent and playing style.

We are coming off the back of a 6-1 win at Wakefield Park against Whanganui last weekend and whilst we

were happy with the result, we know our first half performance was far from the standards we expect from ourselves and is something we will be striving to rectify this week.

A good performance and continuing to improve as a group is our aim this week as we look to continue the momentum we have gained this year. A 100% win record will look to be extended for another week as we move through the early stages of the season.

## CAPITAL PREMIER – TAYLOR HALL-JONES

**We returned home to Wakefield Park last week after two successful games away from home.**

Facing us on return was the task of Island Bay United. Both teams were three wins from three and we relished the opportunity to take on the favourites to win Capital Premier.

After an even first half we went into the sheds at 0-0 and thinking that we were in the fight having created a couple of good chances that we couldn't convert into goals. A couple of lapses in concentration on the defensive end, and more missed opportunities on attack, left us well behind 3-0 and needing a footballing miracle.

Scoring two goals and pressing hard for a third to leave with a point, we were incredibly proud of the

fight shown, however it was to be our rivals from the other side of Wakefield who walked away winners 3-2. We were left bitterly disappointed with the result but knowing we have what it takes to compete with the best in the league.

This weekend we welcome Wainuiomata FC to Wakefield for what is always a competitive game held in good spirits.

We will be looking to bounce straight back with 3 points but we know the Nui will test us and be doing their utmost to take the spoils over the hill.

## CAPITAL 1 – JOHNNY GERONDIS

**Firstly I'd like to welcome Petone's Reserve side to Wakefield Park for this weekend's match.**

Petone are having a solid start to their Cap 1 season, picking up seven points in their opening four games and are currently sitting in third spot.

This Friday night will be a tough test but we will continue to find our rhythm and go in with confidence, having picked up four points in our last two games.

Last week we hosted our neighbours Island Bay United in an entertaining 2-2 draw. The game had everything - a Jimmy Haidakis double, two red cards, end to end action, but the points were evenly shared at the final whistle.

This weekend's opponents, Petone, will have a youthful look to them and lots of energy, however we pride ourselves on setting the tempo for a nine point weekend so we will be up for it.

Enjoy the action pack weekend of football and thanks for the support.

Catch you on the Bank!

Ole, Ole, Olympic!

## 50 GAMES FOR OLYMPIC

Samuel Mitrakas and Kailan Gould reached the 50 game mark against Auckland City on 11th March and Wellington Phoenix Reserves on 7th April respectively. They are the 83rd and 84th players to do so.

## 31 GAMES OFF THE BENCH

Of Samuel's 50 appearances, a record 31 have been off the bench beating Johnny Gerondis (29), Nathanael Hailemariam (27), Jimmy Haidakis (25) and Spiros Androutsos (25).

## 50 STARTS & 50 APPEARANCES

Conversely, in the National League Final in December 2022, Justin Gulley became the first outfielder since Geoff Brown in 2006 to have 50 starts in his first 50 appearances (goalkeepers James McPeake and Scott Basalaj have also achieved this feat in this timeframe).

## LATE WINNER IN 50TH MATCH

Kailan scored in his 50th match - the 15th player to do so since Wally Allen in 1972, and may be the first whose goal was the match winner deep in injury time.

## THREE IN A ROW AGAINST CITY

Our matches against Auckland City (National League final and Oceania Champions League Play-Offs) were the first time we have played the same opponent in three consecutive matches.
