# WELCOME TO WAKEFIELD

## CHAIRPERSON'S WELCOME – PAUL KOTROTSOS

**I'd like to welcome North Wellington and Seatoun here to Wakefield today.**

After a little scare early on in last week's CL game, the boys came right and if it wasn't for Petone's Goalkeeper, it could well have been a few more. The Cap Prems had a good win 6-1 vs Wainui keeping the pressure on league leaders Island Bay.

If you wanted to see goals last week you should have been at Wakefield Park on Friday night where our 4ths had a resounding win against Tawa Aces 5-0, and the 3rds ended up 5-5 against Petone u23s. I must say very entertaining but probably very frustrating for Johnny G who manages the 3rds. They are scoring enough goals to win every game, but it's the other end they need to work on. Our TFTs are back in the Masters divisions for their 31st season with us and have started on a real high being unbeaten after their first two games.

Our juniors and youth teams finally kick off their season today with our u17s on the field at 9am tomorrow morning, here at Wakefield. It feels great to finally have all the Club's teams on the field and the football season in full swing. Our Junior numbers have grown from the 9 teams (not including u4-u6s) last year, up to 12 for this season. Our Junior Admin team of Samuel Mitrakas and Anna-Maria Fradelakis have worked tirelessly organising and getting our Juniors ready for the season

and we are extremely grateful to them. It's been no easy feat. I'd like to wish all our younger members and their families, parent helpers, coaches and managers all the best for this season.

The women's first game of the season last Sunday ended in a draw. We definitely created more chances than our opposition, but still a good start. Most of the squad is back from last season which is great. We welcome newcomers Sarah, Scarlett, India, Charlee, Jasmine and Harriet - they have fitted into the team very well. The women have a tough challenge against Upper Hutt 2nds tomorrow in Maidstone.

Keep following our media sites for updates, and also our website that we are updating constantly. All our Club's fixtures for the season (including our upcoming Chatham Cup fixtures) can now be found on our website. You can also check results from both the Northern League and Southern League fixtures.

Good luck to all teams over the weekend.

I hope to see you all back in the Clubrooms after the match - players, supporters and refs all welcome.

## CENTRAL LEAGUE – RUPERT KEMEYS

**Last weekend we defeated Petone FC 4-2 in front of a great home crowd at Wakefield.**

Unusually, we started poorly and gifted Petone two goals to be behind early, which was a position we weren't familiar with and needing a big performance. It was great to see the boys fighting to battle their way to not only a victory, but a convincing victory as well.

We managed to control the game very well after the initial two goals and had the majority of the possession effectively limiting Petone's chances. Heading into half time having fought back to 2-2, we knew the match was there for the taking and a hatrick to Jack Henry-Sinclair rounded out a 4-2 result. Jack also achieved 50 goals

for the club, a feat that is testament to his attacking talent and continued pursuit of excellence.

This weekend we welcome North Wellington to Wakefield Park and although they have had a slow start to the season we know that any team can cause an upset if you don't prepare well. The boys have been putting in the hard yards well all week and we look to make it six wins from six and continue our 100 percent win record. We are striving to put in a more complete performance and keep a clean sheet!

# CAPITAL PREMIER – TAYLOR HALL-JONES

**After last week's disappointing loss to neighbours Island Bay, we looked to get back to winning ways in game 5 of our Capital Premier campaign.**

We were facing a Wanuimata FC team also looking to right the wrongs of the week prior after a heavy defeat and we knew we would have to work hard to earn the desired result.

A slow start to the game was incredibly frustrating and given how we have performed in the first month, very disappointing. The team trudged in to the sheds at half time with the scores locked at 1-1 and all of Wakefield Park was braced for an eruption of biblical proportions from the coaches. Thankfully this did not eventuate and the message did get through as the boys came out firing to restore a comfortable lead. The game finished

at 6-1 and the 3 points were secured thanks in part to an Oli Davies hatrick.

This weekend we welcome Seatoun to Wakefield Park for what is always an entertaining encounter between teams looking to play expansive and attractive football. We know they have a style that can produce goals and we will be looking to rectify last week's game by putting in a complete 90 minute performance.

3 points will be key for us to continue our positive start to the season and head into a week off cementing second place on the Capital Premier ladder.

# CAPITAL 4 – DEMETRE KOTROTSOS

**Our first two games of the season have started off really well and I'm pleased with the lads' effort and commitment so early on.**

Everyone is playing their role in the team well.

We have a few new faces this season and we welcome Malik, Jono, Hamish, Peter and our youngest new recruit, La Bron. Also welcome back to all the rest of our loyal lads for another season of footy.

The two games we've played so far were against the two Tawa teams in our league. The first game was a 5-1 win away. Although the team played with 10 men for 60 minutes of the game, we managed to score 3 more times. It shows the quality we have in the team this season.

For our second game, it was our first home game of the season and we started off in blinding fashion. High

pressing and great forward momentum throughout the first half. The lads controlled the game from start to finish and this reflected in our 5-0 win. Well done to Jett STAR and P DIDDY Barbs. Both starting off their campaigns in glorious form with 4 and 3 goals respectively.

Our next game is a big game for us as we will be facing a high scoring Porirua St Germain side. The top attacking side vs the best defensive side in the league. A game we are ready to win!

For the club. For the team. For the future.

BLUE LAGOOOOOOOOOONNN!!

# TFT MASTERS – STUART COATS

**After two weeks of Masters Division 2, the Olympic TFTs sit proudly in 2nd place, kept from the top spot only by goal difference.**

They defeated Seatoun 5-3 and Upper Hutt Saints 4-2. Both games have followed a pattern: TFTs start slowly but somehow take an early lead. They then rest on their laurels and allow the other team to draw level and eventually pull ahead. TFTs regroup, re-take the lead, and then win going away.

The reasons for this pattern are currently unknown. Could it be superior fitness? Is it greater skill finally telling in the end? The person writing this plays centre midfield, so would tell you that it's due to the midfield gaining control of the game. The rest of the team, who don't get to write this, might disagree. Whatever the

reason, as the season progresses the team needs to work on the start of the game; if only to make their lives easier. Bevan Smith currently leads the goalscoring charts with 4, followed by Stuart Coats with 2 and a bevy of players on 1.

If you are reading this and qualify for Masters, and you'd like to join the team then please get in contact with management. The TFT squad is currently stretched thin with injuries and family commitments so could do with some more players to keep our undefeated start to the season rolling.

Our Player Sponsorships are a great way for you to support our club, whether you're a business, club member, or local supporter!

Player sponsorships will be assigned prior to the start of the season, and you will get your logo or name on a range of player assets throughout the season – across social media, matchday programmes and more!

Our player sponsorships include:

- Your logo/branding in all Home game programmes
- Your logo/branding on your player's social media announcement graphic
