PRESIDENT'S WELCOME

KIA ORA NGA MIHI NUI, A VERY WARM WELCOME TO OUR VISITORS TODAY FROM TAURANGA AND TOKOROA.

Our visitors from Tauranga are here to play our Seniors and U23's and also our other visitors from Tokoroa namely South Waikato Rangers playing our Waikato C Division team.

Great to have you all here at the home of the Green Machine, I trust you will all enjoy your day and our hospitality. Stay as long as you like but please be sure to travel home safely. Fingers crossed that the recent wet weather stops long enough for the supporters to get out and watch the games and doesn't spoil it for us all.

Having had such an excellent start to the season for all the Clubs' Mens Teams, we are hoping today's results will continue along that path. Last week our Seniors reversed the first round result against East Coast Bays and grabbed an important three points winning 2.0. This was a really entertaining game for all of us supporters and one which I've got to say, has been the stand out game so far this season. The lads were brilliant all over the park for the whole game and with a brace from Stipa up front, deservedly got the result. The young players who have pushed up from the U23's were absolutely gold! So proud of them all. Let's all hope for another solid performance today from the team in what will be an equally tough encounter.

As is usual I'd like to take this opportunity to thank our hard working volunteers and our very generous Player and Club sponsors. Firstly to Roo for all the work he does getting the grounds into some sort of shape to play on, and to Ricky, Kyle, Cory and Eamonn for all they do for the Club in preparation for the games. Also to Tracey,

Helen, Kelly-Anne and Liz for their efforts in preparing the Club for its visitors and for the work they do in the bar and the kitchen.

In all clubs, you need people and if you don't have people to do some of the seemingly endless tasks, then you need money to pay people to do them. Thankfully we have a number of people who consistently give so much of their time freely, just to ensure that we can exist as a Club and without their help, we possibly wouldn't. So thank you to all who do help.

Great to see our fabulous new Scoreboard up and running under the expertise of my Co-President Cory where we can display the names of our players alongside the names of their Sponsors. A number of these Sponsors have been supporting our first team for four to five years and it really helps take a lot of the financial burden for running a team at the higher level off the clubs' finances. We are extremely grateful to them all for the assistance they provide.

This week's Match Day Sponsor is one of our longest serving ex-players namely Steve Williams of Anglo Painters and Decorators.

As always, there's plenty of things to do and lots of money required to do it with so if anyone is keen to help in either capacity at any time, just let me know.

Ka Kite have a safe journey home everyone,

COACH'S COMMENTS

WELCOME TO BARRY AND HIS TAURANGA CITY TEAM FOR THIS AFTERNOON'S NORTHERN LEAGUE CHAMPIONSHIP FIXTURE.

It was fantastic to be back at Centennial Park again. Last weekend was a top of the table clash against East Coast Bays. The conditions were testing for both sides as we experienced non-stop rain for 48 hours before kickoff, luckily for us these conditions are nothing new for us at home and it gave us that advantage we needed against the side who have sat at the top of the league all year.

An impressive defensive display kept the top scoring team at nil come the end of the game. 2 ruthless team pressing traps created 2 goal scoring opportunities for our marksman Stjepan Kovacic to put away - that's 20 goals for him now across the league and cup.

Today's fixture doesn't get any easier for us as we host third placed side Tauranga City. Tauranga are always a physical and fit side which matches their 'direct' style of play. We'll have to show the same determination as last

week to ensure we pick up maximum points today.

We welcome winger Legion Rogerson from West Coast Rangers. Legion is a player I've liked for a long time, watching him play for Hamilton Wanderers and Auckland City previously. We also welcome midfielders Henry Faarodo from Franklin United and Tommy Castro from North Shore United - great to have you a part of the Green Machine for the rest of the 2023 season.

I thank the club; all the supporters and sponsors for all their support so far this season. Please get behind the players as we try to secure another 3 points at home.

Look forward to seeing you around the Club!
