WELCOME TO WAKEFIELD

CHAIRPERSON'S WELCOME – PAUL KOTROTSOS

The Council have done a great job to get it up to FIFA standards. One of the advantages of hosting the Women's World Cup. It was a tough start to our NL campaign last week away to Manurewa - very physical, but the boys did well to take all 3 points. The FIFA+ livestream did have connection problems, but at least we could cheer on our lads from the Clubrooms.

The Club held its Senior prizegiving a few weeks ago and what a great night it was, one of the latest finishes we have had for a while. Plenty of awards, great speeches even a few broken plates. We had the pleasure of Anna Green (former Football Fern) as our MC. Great night. Last Sunday we held our Junior prizegiving and it was great to see all the kids and parents who turned up for the award ceremonies. The junior numbers were up this year and we are committed to grow them even more for next season. A big thanks to Sam, Anna-Maria, Matt, Nina, all the coaches and parent helpers who helped make this season a successful one.

Our combined U17 side are playing the Phoenix away tonight at 5pm at Fraser Park. It's a big shame the powers that be couldn't set this match up as a curtain raiser to the NL match. Especially as the Phoenix are playing away in Christchurch today.

CLUB SECRETARY – NINA PAPADOPOULOS

As we now enter our National League Championship phase for 2023, it was all celebrations as we closed our winter season with great success.

Four senior teams (not including our Masters or Women's), three championship titles. That's pretty impressive in anybody's playbook.

Our Central League team won their third consecutive Championship Title – a record breaking feat that no other Club has been able to achieve. Added to that, our Reserves raised the prestigious Venus Shield as the Champions of the Capital Premier League. Two top teams, two top titles, same Club. I'm pretty sure that's never been done before, either. Not to be left behind, Olympic Fourths convincingly took home both the 1st and 2nd round trophies for Wellington Division 1, going through both rounds unbeaten.

Definitely alot to smile about.

Our Capital 1 team (thirds) couldn't quite take it out this year, having won their Championship title last season, but, like our TFTs in Master 2, had a respectable mid-table finish. As for our ladies, it was all social and fun and they enjoyed the wins and the losses with the same celebrations.

Our Juniors had a great season, too, with our youngest members U4-U8 enjoying the best introduction to the foundations of football and our U9-U13 teams winning rounds throughout the season. Olympic's U12s Ares won both the KCU and Western Suburbs Tournaments this year – and were praised by the opposition for their fair play and good sportsmanship. It's with this kind of feedback that I know our children are in the best hands. It makes me so proud and so very grateful.

The combined U17 team with Island Bay proved a real winner this year, too, and we thank Island Bay

for meeting us in the middle of the Park to make one mighty team.

There's not enough words to express how grateful we are to each and every player, coach, team official, ballboy, member, supporter, parent, family member and friend, and to every person behind the scenes who kept everything ticking along. Thank you for being part of our amazing, passionate and very Greek Olympic Family and making this the most record-breaking, historic and memorable year. Our heartfelt and sincere thanks to you all!

Overall, it's been a great year and our Greek flag has been flying with much pride.

AND the Capital Football Awards are coming up in October. A number of our players have been put forward in different categories. As soon as the voting is open, we'll let you know to start voting! If our teams and players make the final three nominations, make sure you support them – no voting means not getting the deserved results. So please, please, please make sure you take a couple of minutes to make your vote count!

So now we're in the business end of the National League. Rupert and his team have worked tirelessly with the lads to get them ready for the Championship. And we'll be right there with them, supporting and cheering them on from the "banks" and the sidelines, and at the aftermatch functions.

We will all be rallying behind our team, one family, as we fly our flag proudly.

vs Manurewa AFC**

CENTRAL LEAGUE – RUPERT KEMEYS

After the furore of Central League had died down, it was great to start the National League well this year with three points in a tough away fixture to Manurewa FC.

The squad had worked extremely hard in the build up to National League so it was satisfying to get the first 3 points secured.

It was a very physical contest which tested our boys in every way, an ideal first battle to set the tone for the remainder of the year. Although the first half performance wasn't great, sometimes in football it is more about mentality than tactics when it comes to playing very physical teams.

I was extremely happy with how the boys showed an ability to dig in as they rode the physical challenges and stuck to the game plan which resulted in beating them by three goals.

It's a pleasure now to welcome back familiar rivals Napier City Rovers for a game at our new home ground Martin Luckie Park. In recent times we have had the upper hand in results against Napier but that gives them even more motivation to turn us over.

They are fresh off a comfortable 3-0 win against Petone and will make the trip down the North Island brimming with confidence. We know it's going to be another tough game as it looks like there are going to be no easy beats in this year's National League.

The exciting challenge for us is knowing we have to bring our A game week in week out to challenge for this National League title.

FROM THE CAPTAIN – BEN MATA

We are amped for our first home game of the 2023 National League. Today we welcome Central League counterparts Napier City Rovers.

After a resounding 3-0-win last weekend, we know that Napier will be high on confidence, and hungry to get a result today. For us, we are looking to build on a 5-2 win, and 3 points today is vital if we are to be in the top

2 come the end of November. As is always the case when we play each other, you can expect an exciting game of football with a hint of drama

OLYMPIC U17S – SAM MITRAKAS

We are now three games into the Boys' National Youth League qualifying stages, with 2 games left.

We currently sit third equal with Wests on 4 points - a draw, win and a loss our results so far.

Our first point came away to Palmy Marist a few weekends ago, where Florian Ashby scored our first goal. A couple weekends back the boys put on a clinic, putting five past Stop Out and keeping a clean sheet. Goals to Sam Gordon (2), Nysi Soulis, Andy Chhun and Nic Ball.

Last weekend we lost 3-2 to Wests in a game where we definitely deserved more. Leo Gunn gave us a 1-0 lead

from the spot, but Wests equalised from a set piece with the last play of the half.

Mid way through the second, Luke Hardy put us 2-1 up. Wests drew level again, and with chances for both teams to win it, Wests countered in the last few minutes and took the 3 points.

A tough one to take, but with two games left vs the Nix (5pm tonight) and FC Western there are points to be won as we look to cement a top two finish and have a playoff opportunity for the nationals.
