WELCOME TO WAKEFIELD

CHAIRPERSON'S WELCOME – PAUL KOTROTSOS

I'd like to welcome Eastern Suburbs back to Wakefield today.

As you may recall we played Suburbs in the Quarter Final round of the Chatham Cup and Suburbs walked away with the spoils. It certainly is expected to be an exciting match between the two Clubs with Suburbs needing the win following their draw last weekend and Olympic having something to prove after their shock loss in their last encounter together. Let's hope our boys raise to the occasion today and reverse the result. The next three games are crucial to stay in the hunt for the top two spots.

Last weekend we managed to salvage a draw against Cashmere after a terrible first half. The players, management and supporters all know we need to raise our game and perform with more consistency, especially with some of the toughest opposition yet to come.

If you are not aware, all the NL Men's and Women's games a live streamed via the FIFA+ app that you can download on your device, this is free of charge. You can also watch them via your browser (like Edge, Firefox or Chrome). You can pick up the link direct from our website – olympicafc.org.nz – and just click on the link. Full replays or highlights of all the games are also available afterwards. Just be aware that adverts pop-up when you first select a game to watch, which can be a bit annoying.

The All Whites have two friendlies one was played this morning vs Congo, and Australia on the other will be played on 18th October. Let's hope the boys go well. These games will both be streamed via the FIFA+ App.

Election weekend – you still have time to vote. Most voting places close at 7pm tonight and you don't need your Easy Vote card.

Upcoming Football and Events:

U19s Napier – Labour Weekend: 21st – 23rd October

We have a squad going up for another full-on weekend. Our accommodation complex has been completely booked out again with our "U19s Olympic Family". If you're not staying with the team, I still hope you've been able to book to come up. Our lads are the defending champions and will be looking to keep their hands on the silverware!

Next year's bookings: please contact Nina (ninapapadopoulos@hotmail.com) to place you on a waiting list. If any attendees this year can't make it

next year, at least there's a possibility we can book you a room.

Capital Football Awards 2023

We are thrilled that there are a number of Olympic members who made the final nominees list in this year's Capital Football Awards. There are three nominations in each category. Our heartfelt congratulations to the following who are in the running:

Oliver Davies & Dylan Wood

Men's Young Player of the Year

The winner of each of these categories will be decided by a closed panel and not open for public vote. However, we have one other very important Club legend who is up for an award that is to be decided by public vote, which closed on Friday 13th October.

Personality of the Year

Maki Halikias

Yes, our very own Olympic Supporter of the Year has been nominated, and hopefully we had all of our Olympic family voting for our Club Legend! Maki was born and bred Olympic and, alongside his family, lives and breathes the Olympic "white and blue".

To vote, go to our website – olympicafc.org.nz – and click on the link. Get all your friends and families and work mates voting, too. Push those votes and maybe we'll be able to give Maki the well-deserved accolades and another fantastic celebration for Olympic after an incredible successful winter season. **START VOTING NOW!**

Good luck to all our nominees!! I hope to see you all back in the Clubrooms after the match - all players,

CENTRAL LEAGUE – RUPERT KEMEYS

We welcome Eastern Suburbs to the club for the fourth round of National League which makes for a very big clash for both teams.

After a great comeback but an overall disappointing result against Cashmere, we left with one point and all focus this week is picking up the three points we need. In such a short and competitive league it is imperative we stay in second place after this week.

Whilst the group was disappointed in not picking up the three points, we showed our fighting spirit to get back into the game and we were close to snatching all three points. Looking at the game in totality, however, a point was probably fair for both teams.

We are looking forward to facing Eastern Suburbs again at Wakefield Park which is a chance for us to get some

revenge after being beaten in the 119th minute with 10 men in the Chatham Cup quarter final, a result which still stings.

We know this is an absolute must win game for Suburbs as they are feeling the negative effects of such a short season where draws can really put a dent in your title hopes.

This should make for a great game for the fans and one we are confident we can get the job done as we continue our journey towards the grand final come the end of the season.

FROM THE CAPTAIN – BEN MATA

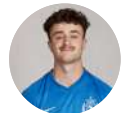

Last weekend we felt we let ourselves down in the first half against Cashmere Technical but was happy with the response in the second half to come away with a point.

For the second time this season, we welcome Eastern Suburbs to Wakefield Park. After getting the better of us in a 3-2 extra time thriller in the Chatham Cup, we will look to return the favour today. We both picked up

a point each last weekend, meaning today is very much a must win for both sides. Knowing the importance of 3 points in a 9 game season, expect today to be a high octane encounter.

OLYMPIC U17S – SAM MITRAKAS

Our national youth league campaign wrapped up last weekend.

The week before we had a tough defeat to the Nix out at Fraser Park, losing 4-0 in a game that saw us have a squad of 13 players due to injury, sickness and school holidays. The boys did extremely well and were in the game for a good 70 minutes until the depth of the Nix squad showed through.

Last week we faced FC Western from New Plymouth at Martin Luckie. With both teams on level points but not able to qualify (finish in the top 2), the winner would finish above the other in 4th spot. The most we could do was win the game and end on a good note, and that's what we did. A brace from Nic Ball and an all

round good team performance to also keep a clean sheet gave us the 3 points. Western were physical and very direct and on another day could have scored a few. Josh Ingham was huge in goal for us.

Our last bit of football for the year is the Western Springs tournament in December which we are looking forward to.

The boys have been exceptional over the last 4-5 weeks in a tough competition and I cannot fault their efforts.

HOLIDAY PROGRAMME TERM 3 GALLERY

Another awesome holiday programme has come to an end, and what a success it was.

Our final school holiday programme for the year topped off a fantastic junior season. Thanks to our coaches - Sam Mitrakas, Gianni Bouzoukis and Dave Graham for mentoring the kids and creating a positive football environment. The kids put in a huge effort across the

three days and came away with plenty of smiles and new skills and understanding.

Congrats to all our winners of our signed National League tops and balls. Olympic!

100 HAT TRICKS

While football is a team game you can't ignore individual player achievements. For goalkeepers it is clean sheets (the Club record is held by Paul Kotrotsos with over 50 in his 221 matches) while for strikers it is goals.

The overall career Club record is still held by Harry Kotsapas with 130 goals in 380 matches while the season record is held by Geoff Brown with 35 goals in 22 matches. Instant success can be achieved by rattling in a hattrick – Gianni Bouzoukis holds the Club record at 9 while Ben Mata is the nearly man with 9 doubles but no hattricks.

The first recorded hattrick (when we were playing as CYFC) was on 7th August 1971 in a 9-1 win against Wanganui City in Central Two. Unfortunately, we don't actually know who scored it since two players – Jeff Allen and Laki Tsoumbaras – scored 4 and 3 goals respectively in the match and records don't show goal times. Remarkably, Jeff Allen's 4 goals in a match wouldn't be beaten for over 30 years!

In 1973 Greg Robertson (career 31 goals in 52 matches) became the first player to score two hattricks in the same season, scoring 3 against Douglas Villa and 4 against Wanganui Athletic.

Despite his record 130 total goals, Harry Kotsapas only managed five hattricks (Wainuiomata in 1974, Adriatic

in 1976, Hastings City in 1977, North Wellington in 1979 and Manawatu United in 1985) during his time with the Club.

Arthur Brown scored our first ever Central One hattrick (and the first one as Wellington Olympic) against Waterside in 1983.

Only 18 hattricks were scored between 1970 and 1989 but then they started flowing. Imre Foldi scored the next four in 1990 and 1991 only to be outdone by Andre Racz who scored the five after that between 1991 and 1994. During this streak Andre became the first player to score a hattrick in a losing effort when we went down 4-7 in a Capital Premier match to Waterside Karori in 1992.

In 1994 either Chris Christie-Yiavasis or Simon Elliott (same problem as before although maybe Chris might remember who got there first in the match) scored our first Superclub Championship phase hattrick in a 7-1 win against Christchurch Technical.

In 2004 Geoff Brown scored four hattricks in one

season (4 against BNU, 5 against Wellington College, 6 against Wainuiomata and another 3 against BNU) which remains a Club record. He had none the following season but scored his fifth and sixth hatricks (Club record at the time) in 2006 against Western Suburbs and Napier City Rovers respectively.

In 2006 the 50th hatrick was scored in a 10-1 Chatham Cup win at Wembley Park against Wanganui Athletic. Yet again a milestone was marked in a match where two players scored hatricks – Adam Cowan scored 3 and Kieran Cripps scored 4 – so again, without the recorded time of goals scored, we don't know who hit the milestone one.

In 2007 Anthony Neonakis became the first player to score a hatrick in his first starting XI game (he had previously been a sub) scoring all 3 goals in a 3-2 win against Palmerston North Marist at Memorial Park. In 2008 Miroslav "Mickey" Malivuk became the first player to score hatricks in consecutive matches (3 against Wellington United and 3 against Naenae) and then in 2010 equalled Geoff Brown's tally of six career hatricks when hitting 4 past Tawa in a 8-1 Central League win at Redwood Park.

In 2013 Olympic fielded arguably their best team never to win a trophy (lost the league by one goal and lost in the Chatham Cup semi-final 0-4 on a Christchurch bog), six hatricks from five different players were scored as it rained goals through the season (81 in 24 matches). In the final league match when we needed to beat Petone by 4 goals, Andrew Abba's hatrick was in vain as we only won 5-2.

In 2015 Jimmy Haidakis scored three hatricks (3 against Napier City Rovers, 3 against Tawa and 3 and Wairarapa United). The Napier one included a shot from close to half way. Unfortunately, both the Napier and Wairarapa United matches were lost (3-4 AET and 4-5 respectively). Despite the feat of scoring three goals per game, Jimmy holds the Club record of most hatricks scored in a losing effort.

The Chatham Cup 13-0 demolition of Stokes Valley in 2019 saw Thomas Jackson equal Geoff Brown's record of six goals in a match.

2020 had Gianni Bouzoukis hit his first hatrick, scoring 5 against Wairarapa United at Wakefield, and breaking a new record for the Club in a league match. He followed this up with 2 hatricks in 2021, 3 in 2022 and 3 so far in 2023 to make a Club record nine hatricks to date.

A then record seven hatricks were scored in 2022 – in addition to Gianni's three, there were two for Jesse Randall, one for Jack-Henry Sinclair and probably a unique one from Kailan Gould where all goals were from the penalty spot in a 5-0 Cup win against Wanganui Athletic.

With six or seven matches to go in 2023, we already have 10 hatricks this season. In addition to Gianni's three, there were three from Hamish Watson, two from

Jack-Henry Sinclair, one from Merlin Luke-Minny and one from Gavin Hoy. Gianni matched Mickey Malivuk's feat of scoring consecutive hatricks with 3 against Wainuiomata and 4 against Miramar Rangers.

Two players scored hatricks in the same match twice this season. Gianni scored our first ever hatrick against Miramar Rangers in a 7-0 thrashing at Dave Farrington Park with Hamish Watson missing out on the record and getting the second ever later in the match (bad luck Watto!). In the National League Championship match played against Napier on 30th September, we had 98 hatricks already banked and both Gianni and Jack-Henry had two goals so hatrick 100 was a possibility.

Gianni hit his hatrick first (the 99th) leaving it to Jack-Henry to claim the honour of scoring our 100th hatrick in the 7-1 win.

OLYMPIC AFC

Founded 60 years ago by the Apollon Club, Olympic has remained true to its traditions despite going through various name changes with Apollon and CYFC giving way to the present day Olympic in 1983. Over the last 25 years Olympic has become a growing force in football, challenging long established Wellington Clubs. Olympic won the Chatham Cup 2009 and Central League in 1991, 2010, 2016, 2021 and 2022.
