WELCOME TO WAKEFIELD

CHAIRPERSON'S WELCOME – PAUL KOTROTSOS

I'd like to welcome Christchurch United today at what is definitely the game of Round 7.

Christchurch have proven to be a formidable squad this season having won three trophies to date: Southern League, Chatham Cup and the English Cup. Their U19 squad also won the U19 Satellite Tournament up in Napier a few weeks ago.

We had a bruising encounter with Petone last weekend who punched above their weight. We probably should have put the game away midway through the 2nd half, but it wasn't to be and the boys battled hard in the last nailbiting 15 odd minutes to secure a vital 3 points.

Wellington Olympic are so fortunate to have the support of so many sponsors who never let us down. Our heartfelt thanks to all! You will see our main sponsors posted throughout our match programme and around the ground. Please remember to support them where you can.

The Capital Football Awards were held last Friday 27th October. Olympic's two tables were full of optimism and good cheer. Congratulations to all those nominated, and to the final winners! More trophies and celebrations after a great season!

Thoughts for the week...

Interesting sports viewing last weekend starting with the penalty conceded by the Phoenix. The ball was crossed into the penalty area and it was on its way out for a goal kick. Just before it crossed the line it brushed the hand of the Nix defender. The VAR called the ref over to view the footage and he awarded a penalty. Let me put this into context. The cross was poor; there was no Perth player within sight of the cross; and the Nix defender was there to follow it out for a goal kick, who unfortunately had it brush his hand.

I read around how the hand ball law is applied – this was not a handball as: "it was not intentional and was of no consequence to the attack". Either way if this law/ statement is correct or not, this should never have been a penalty in my view. Lucky for the Nix the goalkeeper saved it.

Then you had the penalty awarded to Melbourne Victory when a Newcastle player who tripped during a Victory free kick and put his hands on the ground to cushion his fall. The ball struck the arm while it was on the ground, the shot was not even goal bound. Again, this was harsh in my mind.

Finally you had the TMO/Ref fiasco on Sunday during the Rugby World Cup. All I would ask for is consistency. How does the TMO decide to review a passage of play or not?

The All Blacks were the better side but in the end they missed a conversion and a couple of penalties, and in my view, got the ball wide too early on at least two occasions close to the opposition goal line. A few more ruck and maul phases before going wide would have been a better option. This could have drawn a penalty or a yellow card and tired the opposition forwards.

All the best to the teams.

Unfortunately I cannot be at the game today but will be tuning in via the live stream, so GO GET E'M BOYS!

Please make it back to the Clubrooms (at Wakefield Park) after the match - players, supporters and refs all welcome.

CENTRAL LEAGUE – RUPERT KEMEYS

After passing the halfway mark in this National League, it was a good chance to step back and take stock of where we are at.

I am super proud of what the team has achieved so far in this campaign and after going toe to toe with the best teams in the country, we sit in second place without the blemish of a loss on our record. Six games and no losses against the cream of the crop is something to be proud of and we are happy with the start we've made but we know the job is not finished. We've set a great platform and now we look to launch into the final part of our season.

Last weekend at Martin Luckie Park we were made to pay by not finishing our myriad of chances and found ourselves under pressure in a game we should have put to bed early. Whilst we led Petone FC by two goals, a late goal and conceding a red card meant we had to dig deep and defend well for the last 10 minutes. The boys showed character and grit in this period to ensure we came away with the three points. It was a battle, but in the end we managed to keep Petone out ensuring we kept our second place on the table.

This weekend sees us welcome Christchurch United for what promises to be another big fixture for our Club. Sitting just one point behind us chasing a historic

treble after winning the Chatham Cup and the Southern League, we know the quality they possess. Although a treble is not in our sights, a historic third Central League campaign paired with seeking to go one better than last year and win the National League has the squad still well in the hunt for glory. With only three games to go, this encounter has huge significance and we will be seeing two very good teams go head to head.

We are confident as a group we can rise to the challenge and overcome yet another quality team to put us within touching distance of making successive grand finals. Winning is why we play football and I know the boys will give it their all just like they do every week.

A huge congratulations to all our nominees and recipients of awards at the Capital Football Awards last weekend. To be recognized by your peers for both the personal and club achievements is always a feeling to be savoured and once again we find the Club being the envy of many with our continued success. Long may it continue.

FROM THE CAPTAIN – BEN MATA

Today we welcome Southern League Champions, Christchurch United, to Martin Luckie Park.

With only 1 point separating us, the race to finish in the top 2 is very tight, and with only 3 games left this may turn out to be a 'semi-final' of sorts. Currently the most

successful Club in the country so far this year, we know that we will need to be at our best to come away from today with the 3 points. May the best team win.

CAPITAL FOOTBALL AWARDS 2023

A huge congratulations to all our Wellington Olympic players who made the final nominees list. Olympic were up for a number of categories, a privilege considering the number of nominees submitted from so many Clubs.

Noting just how much our little Club has achieved over this past season, it would have been hard for the judges to ignore the history being made as we broke records – both at Capital Football level as well as nationally. And we certainly were not ignored!

Although we could not bring trophies home in all categories, we congratulate all those players from other Clubs who did.

The night was filled with high hopes and Olympic's two tables were both optimistic on one hand, and apprehensive on the other – always hoping that our lads would be the one to win. But no one says no to a good night out, and being the Greeks we are, we were going to celebrate, regardless!

To ensure that, "Personality of Year" nominee Maki Halikias and wife Sam, were the life of the party for us (I'd say "life of the party" for all at the Awards!). They always just blow us away with their optimism and never missing an opportunity to sell the Club!

Anna Green fronted as MC for the evening and we quickly got through the categories. There were some real surprises with wins not going our way, but still, we were there to acknowledge and celebrate all those who did. But when Olympic was called as a winner, boy did we enjoy the moment!!

Our heartiest congratulations to:

Maki Halikias: Personality of the Year

Taylor Hall-Jones: Senior Coach of the Year

Wellington Olympic Central League: Club Team of the Year

Yes, Olympic walked away with the big ones and we couldn't be more proud!

Our speeches were kept short and straight to the point. We love Olympic, we love being Greek, we love our coaches, our players, our supporters, and we're so very grateful to all. And let's never forget that above all, we are family.... Thank you Rupert and Sarah, Taylor and Hannah, Maki and Sam, Bevan, Ben and Georgia, Dylan, Oli, Steven, Bas and Paul for a great night out to celebrate our year.
