# WELCOME TO WAKEFIELD

## CHAIRPERSON'S WELCOME – PAUL KOTROTSOS

**I'd like to welcome the Wellington Phoenix here today at Martin Luckie for the last game of the 2023 National League Championship.**

Firstly, thank you to the Phoenix for agreeing to move the game to a Sunday fixture. What a great start it's been for both the Men's and Women's Phoenix A-league teams – keep it going! We wish both teams great success for their season and keeping New Zealand a firm and constant threat to all their Australian rivals.

We are fortunate that the last game is also our home game so that all our members can celebrate the season together - and what a season it has been!

The pre-season kicked off for the players way back on the 1st of February. For some of us (Rupert, Matt Calcott, Nina and myself), the 2022 season didn't stop with the National League final in Auckland as we then plunged ourselves into organising and preparing for the OFC Play-Offs and the 2023 season – a completely new experience for us as we dealt with more rules and regulations to get our heads around, and with tight deadlines. It's definitely been a long couple of years (starting back in 2021 with the introduction of the Southern-Central National League Competition ending in December of that year) for the players and for those of us behind the scenes, but I guess this is the new norm for us now and one that we have to just accept and adjust to, so it has become almost fruitless to keep making a point about it. The rewards for such commitment by all involved, however, more than make up for it.

With two matches to play, it was fantastic to be able confirm our spot in this year's final for a second year in a row. The game against Christchurch two weeks' ago was the clincher in my mind. Our lads stunned them early with two quick goals and there was no clawing back after that. It was a fantastic moment for Gianni and the whole Club as he scored his 100th goal within two minutes from the kick off whistle – only the third player in the Club to ever reach the century!! Our ground announcer, Steven Robertson, was still announcing the players when he had to stop to announce the jubilant moment. Congratulations Gianni on the 100 goal milestone!

Well done to all those involved and the hard work that has gone into this campaign. A big thank you to Rupert and Scoota and all the coaching staff for your efforts over the last two seasons. You've firmly put this little but proud Club on the map with Titles and bringing

home Cups and Shields. And absolutely fantastic that we were able to hold off Auckland City last weekend to bring home the Mediterranean Cup to add to our collection!!

Next week we meet rival Auckland City again for the National League Grand Final at Mt Smart Stadium in Auckland. This is the one we not only defend the Mediterranean Cup, but we go one further to take out the National League Championship! I know I speak for all our boys that we hope to see as many of our Olympic supporters around the Stadium as possible, flying Greek flags and loudly supporting, cheering and celebrating them on to the final whistle. Nina has a limited number of free tickets for those coming up. Please let her know if you need one, but as I said, these are limited, so first in, first served. Otherwise, when you're purchasing your ticket online, put in the passcode FW23 and hopefully you'll be able to pick up a free admission – otherwise tickets are \$10 per adult, free for kids.

We are so fortunate to have the support of so many sponsors – we rely on you all to help us through and you never let us down. You will see our main sponsors posted throughout our match programme today and around the ground. Remember to support them where you can.

With no more match programmes this year, our media sites will be the place to go for upcoming events – but don't forget to check out our website which is full of information including the Club's history and there are some excellent stats relating to the 1st team and the many players who made an impact. It's also there where (sometime after the 1st of January), all players can start signing up for next year's season! Our website is:

<https://www.olympicafc.org.nz>

All the best to both teams playing out there today.

Please make it down to our Clubrooms (at Wakefield Park) after the match - players, supporters and referees all welcome.

If I don't see you between now and the end of the year, on behalf of Wellington Olympic and GOYANZ, have a fantastic Christmas and even better New Year.

## NATIONAL LEAGUE – RUPERT KEMEYS

**Last weekend saw us take on Auckland City in what was a prelude to the grand final in little over a week's time. In a game where both teams had secured a grand final berth, there was still plenty to play for and we were itching to get our hands on more silverware, this time the Mediterranean Cup.**

We put in an outstanding performance against City and finally came away with our first win against our North Island rivals. It was super special to win at Kiwitea Street as well, a fortress many have tried and come up short at. For context about the magnitude of the away win, it was Auckland City's first league loss since 16th October 2016. A great achievement for our group.

Although a great achievement, we are not getting ahead of ourselves because the real prize is in a week's time and we know the game will be much different to the game we encountered in the weekend. We can take confidence from the fact that we have what it takes to beat what is widely regarded as the best team in the country.

We welcome the Wellington Phoenix Reserves for the last round of the National League season. We are striving to finish the season as the only unbeaten team and if Lady Luck is on our side, we could still finish top of the ladder. We know that the Phoenix pose unique threats and it's always a tricky game for us to navigate, having had some great battles over the last two seasons.

In what will be my last home game, belief is strong that we can achieve another win and end our regular season on a high, continuing momentum towards the final.

## FROM THE CAPTAIN – BEN MATA

**As we near the conclusion of the 2023 season, we welcome the Wellington Phoenix Reserves in what is our final home game of the year.**

In reflection, we've enjoyed another successful season — winning our third Central League in a row, finishing the season with the O'Brien Shield, winning the Venus Shield (Cap Prem), winning the Mediterranean Cup last weekend, and still having to play the National League Final next week.

We are proud of what we have achieved, but not satisfied... one more step.

As we all know, this season will be the last for a large cohort of our staff. Rupert, Scoota, Jimbo and Kolic have been absolute integral parts of our group for the last few seasons (or 40 seasons in Kolic's case). As a group we intend to show our appreciation in the best way we know how and lift the National League Trophy next weekend.

# ABOUT PHOENIX RESERVES

**The Wellington Phoenix Reserves have been playing at National League level for the past decade and have helped launch the careers of several of New Zealand's top professional footballers.**

The Phoenix Reserves, which is almost entirely an under-20 men's team, first played in the old New Zealand Football Championship in the 2014/15 season after New Zealand Football granted Aotearoa's only professional club entry into the competition so that the Nix could develop its up and coming male players.

Former USA international Tyler Boyd was the team's top goal scorer in their maiden season, while European-based All Whites Liberato Cacace, Sarpreet Singh, Joe Bell, Ben Waine, James McGarry and Max Mata are amongst the hundreds to have come through the club's academy programme in the past 10 years.

Wellington Olympic players Ben Mata, Hamish Watson, Jack-Henry Sinclair, Joel Stevens and Lukas Halikias

are some of the Reserves' other notable alumni.

Club legend Chris Greenacre has been coaching the Phoenix Reserves for the past two years and has helped Lukas Kelly-Heald, Fin Conchie, Isaac Hughes and Luke Supyk secure their maiden professional contracts this season to join fellow academy graduates Finn Surman, Ben Old, Alex Paulsen, Sam Sutton and Oskar van Hattum in the current first team squad.

Greenacre guided the Reserves to third in the 2022 Central League and an impressive sixth place in last year's National League Championship.

This year the Phoenix Reserves finished a clear second behind Wellington Olympic in the Central League and were one of the only teams to challenge the runaway champions.

The Reserves sit eighth entering the final round of the 2023 National League, having won back-to-back matches to give themselves a chance of repeating last year's sixth place finish.

# A CENTURY FOR GIANNI

Just over two minutes into the National League Championship match against Christchurch United on 4th November 2023, Gianni Bouzoukis drilled the ball into the bottom corner from just outside the box to give Olympic the lead in this crucial encounter.

A great start for the team who went on to win 5-2, but also an historic moment for Gianni as he became the first Wellington Olympic player to reach the 100 goal milestone in nearly a quarter of a century. Only Harry Kotsapas (1983, 223 matches) and Chris Christie-Yiavasis (2001, 253 matches) had previously made it to 100 goals for the Club. Gianni achieved it in a mere 127 matches including 16 goals in 17 matches in the National League Championship and including only 2 penalties.

Gianni is a second generation Olympic player, being the son of Basil Bouzoukis who played 151 times for the Olympic first team between 1978 and 1991. Unlike

his father, who was a defender, Gianni is a proven goal scorer.

In 2014 as a 15 year old, he played 7 times (twice as starter) for the Olympic Reserves in Capital Premier finding the net against Waterside Karori. Over the following summer he played National League football with the Wellington Phoenix Reserves making three substitute appearances in a squad that featured current Olympic players Joel Stevens, Tam Dimairo, Justin Gulley, Nathaneal Hailemariam and Merlin Luke-Miny.

In 2015 for the winter season, Gianni transferred to Wellington United (Wellington Phoenix's foothold in the local leagues at that time) playing mostly for their Venus Shield winning first team in Capital Premier where he made an impact scoring 11 times in 15 appearances (7 starts) making him equal 7th top scorer in the league at only 16 years old.

As a sign of things to come Gianni hit 4 goals for Wellington Phoenix Youth against Hawke's Bay Youth in the opening round of the National Youth League in October 2015 finishing the season with 10 goals in 11 matches.

For the 2016 winter season Gianni, now 17, returned home and became cap #424 for the Wellington Olympic 1st team, debuting in a 2-1 win at Fraser Park against Lower Hutt City. He showed that he wasn't out of place at this level by scoring both goals in a 2-1 win over Western Suburbs at Wakefield in his third match. By the

end of the season, he was Olympic's top scorer with 8 goals (already 2 more than his father Basil scored throughout his Olympic career) in 14 Central League matches and a League winner's medal although he missed out on playing in the 4-2 clinching win in the season finale against Stop Out due to suspension having received a 5th yellow fouling Justin Gulley against Wellington United in the previous match. Gianni missed most of the 2017 Central League after recovering from surgery only playing 5 of the last 6 matches of the season scoring 3 times. He also scored 5 times in 5 games for the reserves including his first hattrick for Olympic in a crucial 4-3 win over Petone that helped the team avoid relegation. Once again, he played National League with Wellington Phoenix Reserves where he remained goalless in 7 appearances (2 starts) plus a couple of matches for Wellington Phoenix Youth without adding to his goal tally.

Gianni also missed the start of the 2018 and 2019 seasons due to a stint at college in the United States. In 2018 he played his first league match in Round 8 - the shock loss to Havelock North Wanderers – finishing with 4 goals in 8 matches. He also scored his first Cup goal in a 5-1 win over Petone and added a couple more against Island Bay United. In 2019 he had a disappointing solitary goal in 7 matches (only 3 starts). At this point in his Olympic career he had 19 goals in 38 matches – decent but not the stuff that legends are made of but all that was about to change.

The 2020 season was delayed due to Covid restrictions and only began in June. With Jack-Henry Sinclair now at the Club, Wellington Olympic were an attacking force to be reckoned with. Gianni wasted no time and scored in each of the first 5 games of the season before going on to score his first 1st team hattrick and in so doing, break the individual league record for Olympic by scoring 5 in an 8-1 demolition of Wairarapa United. In all he hit 16 goals in 17 matches edging Jack-Henry who finished on 14 goals placing him 3rd in the Central League behind Sam Mason-Smith and Jesse Randall. He reached the 50 game milestone in the 2-3 loss to Waterside Karori with 33 goals to his credit (which placed him 4th after 50 matches at the time but has since dropped to 5th) The goals kept coming in 2021 with hattricks against Wairarapa United and Petone. He hit 16 goals for the second season running albeit in 20 matches (including the Cup and the South- Central Series). With Jimmy Haidakis finally retiring from the 1st team, Gianni was able to grab the number 10 jersey which Jimmy had monopolised for well over a dozen years (temporarily held in 2017 by Luis Corrales and in 2019 by Seth Ward when Jimmy was injured). With Kailan Gould's stunner edging out Miramar Rangers for the League title, Gianni bagged a second Central League winner's medal. Olympic qualified for the new club-based National League but due to Covid issues in Auckland, had to settle for the substitute South-Central Series. Olympic reached the final where Gianni scored but it wasn't enough in a 2-7 defeat to Miramar Rangers.

2022 was a sensational year for both the team and Gianni. After 7 matches Gianni only had 3 goals but tore Seatoun apart scoring 4 goals in an 8-0 Cup onslaught to avenge a 1991 defeat by the same opponents. He failed to score in the next game against Miramar Rangers but then reeled off 8 goals over 7 consecutive matches – that scoring streak is third equal overall (behind Geoff Brown with 11 matches in a row and Harry Kotsapas with 9). He added his 5th and 6th hattricks against Napier City Rovers and Western Suburbs respectively – the latter being in a record breaking 11-1 win at Endeavour Park. This took him level with Geoff Brown and Mickey Malivuk.

Olympic's Cup run ended in the semi-final with a loss to Auckland City and resulted in the League decider against Miramar Rangers, scheduled for that day, being postponed a few weeks. Another 1-0 win with Connor Gaul scoring the winner meant that Olympic had secured back to back titles and now Gianni, together with Scott Basalaj and Alex Palezevic, had three Central League winner's medals. Gianni played all 18 League matches and scored 16 goals – second only to Hamish Watson who scored 20 for Miramar Rangers.

Wellington Olympic's first match of the National League Championship phase since 1994 was a milestone for Gianni – his 100th for the 1st team. He became the 32nd centurion and the second father-son combo to achieve that after Imre Foldi and Chas Lawrence. The game was against Auckland City out at Endeavour Park (the Wakefield turf was being replaced). Fittingly, Gianni scored our first National League Championship goal after all those years but it wasn't enough to secure a result after a late own-goal saw Olympic succumb 1-2. Gianni made it 4 goals in 3 matches to start the campaign with a double up in Hamilton against Melville and one down in Christchurch against Cashmere Technical.

In all he managed 9 goals in the 9-round robin matches giving him a share of the golden boot. Unfortunately, Auckland City proved too clinical again for Olympic in the final and Gianni added a National League runners-up medal to his collection. All in all he had 32 goals in 34 matches for the season – a mark only bettered by Geoff Brown in 2004 who had 35 goals in 22 matches.

After the National League final Gianni went overseas to try out in the Finnish professional league. Unfortunately,

it didn't work out and he returned to New Zealand carrying an injury which delayed his return to the field. While Gianni was in Finland, Olympic missed out to Auckland City for Oceania Champions League qualification so the target now for 2023 was a 3-peat in the Central League and a National League title.

After two substitute Central League appearances, Gianni made his first start of the season in the Cup against Wainuiomata. After a mere 28 minutes he had his 7th hattrick giving him the outright club record. He followed this up by matching Mickey Malivuk's record of scoring consecutive hattricks when scoring 4 goals in a record breaking 7-0 rout of Miramar Rangers at David Farrington Park in the Central League.

Gianni took a mid-season break at the end of July and missed the Chatham Cup quarter final loss to Eastern Suburbs. By the time he returned for the final league match against Western Suburbs, the Central League was already secured and he had a fourth winner's

medal – matched only by Scott Basalaj. In a stop-start season he only had 5 league goals in 8 matches (5 starts) plus 5 in 3 cup matches.

Refreshed after his break, he put Napier City Rovers to the sword in the National League with his 9th hattrick to extend his record - just missing out on the honour of scoring the 100th hattrick for the club which went to Jack-Henry Sinclair minutes later.

It was now a case of when, not if, Gianni would reach the 100 goal milestone this season. After goals against Eastern Suburbs and Auckland United took him to 98, he had two chances to reach the magical figure in front of his home crowd. He scored early against Petone to take him to 99 but couldn't add to that. Expectation was high for the Christchurch United match and Gianni didn't waste any time scoring as the teams were still being announced on the loudspeaker.

Congratulations Gianni!!!

# OLYMPIC AFC

Founded 60 years ago by the Apollon Club, Olympic has remained true to its traditions despite going through various name changes with Apollon and CYFC giving way to the present day Olympic in 1983. Over the last 25 years Olympic has become a growing force in football, challenging long established Wellington Clubs. Olympic won the Chatham Cup 2009 and Central League in 1991, 2010, 2016, 2021 and 2022.
